

“Club Scene”

Walk up in the club and here go these b*tches lookin' at me... Nudgin' each other on that childish sh*t goin, “She think she...” No chick, you think me... And I think, you, not... Why? ...because I'm not there for you. I just came out to have a good time and do what I do, but, your insecurities allow you to pay attention to me... And how shallow minded can you be? Because if only you knew what lies beneath the surface of this pretty face, these hips, and ass... Take a walk, through my past... Sh*t you would not BELIEVE. My face? ...has had open and closed hands on it by a man who said he loved me. These hips? ...bared 2 children who the best gifts God has ever given me. And this ass? ...has been slammed to the ground many of nights and has caused many of fights between he and I... Off the same sh*t you on right now... Insecurity.

Now let me guess... I look different to you now, and I really don't see how, you focus can be on me when you rollin' 6 and 7 deep. And here's reality for you, there's at least 1 chick in ya crew, who probably behind your back she creeps, and with your man, she sleeps, and 4 others in that SAME CREW, who probably don't even LIKE you, and others of which probably spreadin' yo business 'bout what you and yo man go through... Hmph! Friends... F*ck 'em, who NEEDS em? See I'm a solo chick, and I hope I'm not talkin SO LOW, that ya'll can't hear me!

And here's another truth... You b*tches scared of me, as well you should be, because my WALK? ...speaks Authority, and my LOOK? Says “Don't f*ck with me.” ...and no you may not think much of me, but I look at it this way... Atleast you know what time it is now... And before I walk up out the club it like sometimes I wanna turn around and take a bow because, ya'll have been a great audience, and I know I may not be that of prominence, but I said all of that, to say THIS... Beauty, is only skin deep... So while you sittin back, taken notice of me... Yo REAL enemy, is within arms-reach. ...so be careful of the company that you keep.
